PROPANE CAN DO THAT

The best time to start the conversation with a home retailer about upgrading with propane appliances is right now. You can also talk to a local propane supplier, who can assist with appliance selection and other decisions along the way. You'll find a list of propane suppliers near you, information about appliances, and other tips for creating your dream home at Propane.com.

YOUR FAMILY DESERVES THE BEST. PROPANE DELIVERS.

Planning a new home is an exciting time. You can already imagine the memories you're going to make, with special holiday dinners, quiet nights with the family, and more. Now imagine being even more comfortable. Imagine lower monthly energy bills. Imagine your new home, with the performance of propane appliances throughout.

Let's take a walk through your new home. You'll see all the ways propane appliances will enhance your experience, and why you'll want to talk with your home retailer about upgrading.

OPTIONS FOR PROPANE WATER HEATING

WITH PROPANE, YOU CAN CHOOSE FROM TWO HIGH-PERFORMING, HIGH-EFFICIENCY WATER HEATING OPTIONS

TANKLESS WATER HEATERS

50% LOWER
ANNUAL ENERGY COSTS COMPARED WITH ELECTRIC STORAGE TANK WATER HEATERS.

5-10 YEARS LONGER LIFE
THAN STORAGE TANK WATER HEATERS.

STORAGE TANK WATER HEATERS

46% FEWER
GREENHOUSE GAS EMISSIONS COMPARED WITH ELECTRIC STORAGE TANK MODELS.

LESS SPACE
PROPANE WATER HEATERS ARE SMALLER THAN ELECTRIC MODELS OF THE SAME CAPACITY.

FIREPLACES

THERE'S NOTHING LIKE THE FLICKER OF REAL FLAMES TO ADD WARMTH AND AMBIENCE TO A ROOM. WITH PROPANE, YOU'LL ENJOY THE EXPERIENCE EVEN MORE.

INSTANT ON/OFF
WITH FIVE TIMES THE HEATING CAPACITY OF WOOD-BURNING FIREPLACES.

ZERO ASH TO CLEAN UP
OR FIREWOOD TO STORE.

STANDBY GENERATORS

WHEN THE POWER GOES OUT, YOUR PROPANE STANDBY GENERATOR WILL GIVE YOUR FAMILY MORE THAN LIGHTS. YOU GET SECURITY, AND PEACE OF MIND, TOO.

10 SECONDS
FOR THE GENERATOR TO START AUTOMATICALLY AFTER A MAIN POWER INTERRUPTION.

ZERO FUEL DEGRADATION
OVER TIME, UNLIKE GASOLINE OR DIESEL.

RANGES & OVENS

WANT TO MAKE COOKING A JOY? PROPANE RANGES AND OVENS GIVE YOU INSTANT HEAT, AND PRECISE TEMPERATURE CONTROL. THAT'S WHY GAS IS THE CHOICE OF PROFESSIONALS.

\$80-\$120 SAVINGS
IN ANNUAL ENERGY COSTS COMPARED WITH ELECTRIC COOKING APPLIANCES.

96% OF PROFESSIONAL CHEFS
PREFER GAS OVER ELECTRIC; HOMEOWNERS WANT THE SAME PERFORMANCE.

HOME HEATING

GIVE YOUR FAMILY THE WARMTH THAT OTHER SYSTEMS JUST CAN'T MATCH AND ENJOY LOW MONTHLY HEATING BILLS.

MORE COMFORTABLE HEAT
THAN OTHER HEAT SOURCES, INCLUDING AN ASHP OR GSHP.

50% LONGER SERVICE LIFE
THAN AN ELECTRIC HEAT PUMP.

CLOTHES DRYERS

PROPANE DRYERS PRODUCE A GENTLER HEAT THAT'S EASIER ON CLOTHING, AND EVEN PRODUCES FEWER WRINKLES. FINALLY, SOME HELP WITH THE LAUNDRY.

30,000 BTU/HOUR CAPACITY
MEANS FASTER DRYING AND GREATER ENERGY SAVINGS.

20% LOWER
ANNUAL ENERGY COSTS COMPARED WITH ELECTRIC MODELS.

OUTDOOR AMENITIES

YOU CAN TRANSFORM YOUR BACKYARD INTO THE ENVY OF THE NEIGHBORHOOD, WITH SOME IMAGINATION AND PROPANE.

FLAME EFFECTS
SUCH AS FIREPLACES OR RUSTIC LIGHTING, EXTEND YOUR OUTDOOR ENJOYMENT.

PROPANE GRILLS
HEAT QUICKLY AND PRODUCE FEWER EMISSIONS THAN CHARCOAL GRILLS.
