## **Tucker Perkins, President and CEO**

Tucker Perkins is the president and chief executive officer for the Propane Education & Research Council, a position he's held since 2017.

Since coming to PERC in 2012, Perkins has served as its chief business development officer and most recently its chief operations officer. He previously was a member of the PERC Advisory Committee and chaired the panel on engine fuel.

He has extensive experience in the propane industry, including operating his own propane retail company in Virginia, Premier Propane, as well as holding executive positions at Inergy Propane and Columbia Propane.

Perkins holds a B.S. in civil engineering from Virginia Tech and an MBA from the University of Richmond. He and his wife Liz reside in Richmond, Virginia.
